The Sacramento Tree Foundation is a nonprofit organization working to grow healthy, livable communities in the Sacramento region by empowering people to plant, protect, and learn about trees. We are leading the effort to plant 5 million trees in the greater Sacramento region by 2025. With your help, we can do it.

Recreation and  
Park District

You may choose to *plant* a special Tribute Tree or *adopt* a tree from the Tree Foundation's registry.

**PLANT A TRIBUTE TREE**

You can plant a tree in honor or memory of a friend or loved one or to celebrate a special occasion. All trees will be maintained by the Fulton-El Camino Recreation and Park District. A card is sent to notify the friend or family. All this for only \$425.

**Where will the tree be planted?**

Tribute trees will be planted at Howe Park in the Fulton-El Camino Recreation and Park District. Friends and family are encouraged to attend and assist with planting the tree.

**What types of trees are planted?**

Based on our "right tree for the right location" philosophy, an appropriate tree will be selected.

**Can I add a plaque?**

A plaque can be placed with your Tribute Tree for just \$75 dollars. Three lines of personalized text will be engraved before it is mounted and placed with your tree during planting.

**ADOPT A TREE**

For \$25 you can adopt a tree in our 5 Million Tree Campaign registry.\* We will mail your giftee a certificate with the registry number and species of a specific tree planted as part of our 5 Million Tree Campaign.

*\*Though each dedication is for a specific tree, we do not put markers on the trees and cannot disclose the location.*
